Dear Sudden Valley Community Member,

Attached please find three (3) petitions for a call for a vote to recall the following members of our community Board of Directors:

- Andrew (AJ) Tischleder, President
- Joshua Bowens, Vice President
- Sonia Wold AKA Sonia Voldt, Secretary

Our goal is to obtain 350+ signatures on each petition so we may present them to our Board of Directors and give our membership the opportunity to be heard.

Our Executive Board has continued to fail this community in many ways, including but not limited to:

- Unprecedented staff turnover
- Periods of no functioning ACC, leaving Members unable to have projects approved
- Severe lack of transparency to the Members
- Refusal to resume in-person meetings allowing the Membership to participate fully
- Hiring a GM who will not communicate with the Members
- Lack of response to Member requests for information
- Failure to provide written meeting minutes for months
- Closure of facilities and playgrounds without communication or timelines
- Lack of accountability

While we, as Members, hold different ideas on what the best path forward for this Association may be, we can all agree that this current leadership is not the answer. We have been patient as we waited for them to learn how to govern and prove their abilities in moving us forward as a community. We now demand the opportunity to hold a vote for removal to re-establish our Board with Members who are vested in the best interest of the entire community.

It is important that you sign each of the petitions and only one owner per lot can sign. Please share with your neighbors and help us achieve the 10% of signatures needed to hold this very important Special General Meeting where we can show that we are **Standing Together – Reclaiming Our Neighborhood Governance**.

Please return your petitions ASAP to:

Sudden Valley STRONG, PO Box 28204, Bellingham, WA 98228

Thank you for contributing to the positive movement forward this community needs. Please share with your neighbors who are ready for change.

* Kim Harris, Treasurer, announced her resignation from the Board of Directors on May 22, 2022 and her petition has been removed from the packet.
